The Additional and Deputy Director,

Family Welfare and Kutumb Kalyan Vibhag,
Government of Maharashtra, Pune - 411001

Sub: Removal of Ophthalmology A Scan, B Scan
and UBM from PCPNDT act

Respected Sir,

We are thankful to the authorities for removing Ophthalmology A Scan, B Scan and UBM from the PCPNDT act. The meeting was held in your office on 16th May at 2 pm and was attended by our MOS zonal member Dr Santosh Bhide. All documents were submitted with references to prove that Ultrasound machines and probes used in Ophthalmology cannot determine sex of the foetus.

We request you to give us certificate or letter that Ophthalmology Ultrasound machines or probes are not capable of determining sex of the foetus hence they are exempted from PCPNDT act and there is no need to register any Ophthalmology Ultrasound machines with the Government.

With warm regards

Dr Jeevan Ladi
