MOS MID TERM 2025 (ONLINE)

From The President's Desk:

Respected Teachers, Esteemed Colleagues,

Dear Friends,

It is with immense pleasure and a profound sense of gratitude that I extend a warm welcome to all participants of our Midterm Online Scientific Conference. As we navigate an increasingly digital world, it is heartening to see our collective commitment to continuous learning and scientific advancement through this innovative online platform.

The Maharashtra Ophthalmological Society has always been a beacon of knowledge, collaboration, and progress in the field of eye care. This midterm conference brings to you a meticulously curated scientific program by our scientific committee featuring leading experts and covering the latest breakthroughs across various subspecialties. From emerging diagnostic technologies to advanced surgical techniques and evolving treatment paradigms, we aim to provide a comprehensive and enriching experience for all.

During my tenure, we have remained steadfast in our commitment to the core objectives of the MOS. Our aim is to bridge geographical gaps, taking valuable training and discussions to smaller towns and empowering ophthalmologists at the grassroots level. We are also intensely focused on actively nurturing our young ophthalmologists and providing them with platforms to showcase their research and clinical acumen. These programs are vital for shaping the future of ophthalmology in Maharashtra.

Beyond academics, MOS also strives to give platform to the hidden talents of our members. Thus we also have an online cultural programme in this midterm conference. Kindly do participate in it as an artist or as spectators to encourage the participants. My sincere thanks to Dr. Piyush Bansal (Chairman Scientific Committee), and all the members of the scientific committee whose tireless efforts have made this conference a reality. Your dedication ensures the high quality and relevance of our academic pursuits. I would like to express my sincere appreciation to Dr. Viral Shah (Sec MOS), Dr. Shon Chinchole (Treasurer MOS) and organising committee.

Let us embrace this opportunity to learn, network, and strengthen the bonds within our ophthalmic fraternity.

Wishing you all a highly productive and enriching conference experience.

With warm regards,
Dr. Shirish Thorat President, Maharashtra Ophthalmological society

MOS MID TERM 2025 (ONLINE)

**Address by Chairman, Scientific Committee:
Dear Seniors and the MOS Family,**

With over 3,500 members and growing, MOS continues to stand tall as the largest and one of the most vibrant state ophthalmology societies in India. Our members have consistently led from the front, contributing meaningfully at both national and international scientific platforms. It gives us great pleasure to present the 3rd edition of the MOSCON Midterm Conference—a virtual academic experience like no other, themed "Dilemmas in Ophthalmology." This unique conference is specially designed to empower young ophthalmologists, giving them the stage to present real-world clinical dilemmas. These intriguing cases will be explored in-depth through interactive panel discussions with senior experts, bringing out practical solutions and key learning points across nine sub-specialties. Here's what to look forward to:

- Free Paper Competitive Session—held for the first time at an MTC! After a round of pre-finals, the
- A high-energy Video Session, where young surgeons will showcase surgical and clinical pearls, competing for top honors.
- A YOSI Session, featuring dynamic young leaders from India, sharing insights from their journeys in ophthalmology.
- And to add some sparkle—our Virtual Cultural Banquet, where MOS members will display their talents beyond the clinic, from music and dance to other creative arts!

We are deeply grateful to:

- Dr. Shirish Thorat, President, MOS
- Dr. Viral Shah, Hon. Secretary, MOS
- Dr. Shon Chinchole, Treasurer, MOS

For their unwavering support, and to our dynamic Dr. Sumeet Lahane, Secretary, Scientific Committee, the Scientific Committee team and subspecialty committees for their tireless efforts in curating this program.

We invite you to join us for this vibrant blend of science, skill, and celebration—a conference that promises not just learning, but also inspiration and joy.

Warm regards,
Dr Piyush Bansal
Chairman, Scientific Committee,
2024-2026

MOS MID TERM 2025 (ONLINE)

Hon Secretary's Message:

Dear Friends and Colleagues,

It gives me great pleasure to welcome you all to the MOS Mid-Term Virtual Conference.

This digital platform brings us together once again to share knowledge, sharpen skills, and strengthen our professional community. Despite geographical boundaries, our passion for learning and excellence in ophthalmology continues to unite us.

This year's scientific program reflects the diversity and depth of our field, thoughtfully curated to address both current trends and clinical challenges. I sincerely thank the Scientific Committee of MOS, the organising team, speakers, and each one of you for your active participation.

Looking forward to an enriching and interactive experience.

Warm regards,
Dr. Viral Shah
Hon. Secretary,
Maharashtra Ophthalmological Society

REQUIREMENTS FOR MMC POINTS

1.	Registration is compulsory
2.	Post Registration, Virtual event link will be emailed to their respective registered email ID of the attendee(s)
3.	ONLY Those who have attended the virtual event for both the days will be considered for MMC points
4.	Kindly Note: Login and Logout time will be monitored for both days
5.	Only first 2000 Registration/Attendance will be considered for MMC points

SCIENTIFIC PROGRAMME

Day 1 - 21st June 2025

Time	Sessions
2 pm to 3 pm	Post Graduate free paper final
3 pm to 4 pm	Dilemmas in Neuro-ophthalmology
4 pm to 5 pm	Video – Final
5 pm to 6 pm	Dilemmas in pediatric ophthalmology
6 pm to 7 pm	Medicolegal Session
7 pm to 7:30 pm	Inauguration Ceremony
7:30 pm Onwards	Cultural Event
